<input type="checkbox"/> I/We promise to comply with all Las Brisas Association Pet rules.	

We welcome your pets and ask that you and they observe the rules and regulations of the CC&R's.

You are allowed to have one (1) pet under 25 pounds. A pet larger than 25 pounds may be kept at Las Brisas only with special permission of the Board of Directors. You are allowed to have more than one (1) pet only with special permission of the Board of Directors. The Board has the authority to refuse permission for any pet over 25 pounds or for more than one (1) pet. The Board also has the authority to give permission subject to whatever restrictions the Board deems appropriate. Permission will be revoked if there are any complaints against the pet that have not been satisfactorily addressed by the pet owner.

We do have a leash law in our community (as well as in Santa Clara County), which requires that your pet be on a leash anytime it is outside your home. We also ask that all dog owners be considerate of your neighbors in controlling barking.

You must clean up after your pets. Any pet owner who does not clean up after their pet will be subject to a \$50 littering fine for each incident.

Cats must be kept indoors. If you want to take your cat out, the cat must be on a leash.

Under no circumstances are pets allowed in the pool area or interior courtyards.

Please be a considerate pet owner.
