

Dumping furniture and trash improperly contributes to rising HOA cost and leads to higher rents. Please take pride in your homes and the area in which you live and help keep it clean.

- Put trash **IN** the trash bins
- **BREAK DOWN** all boxes
- **DO NOT DUMP** old furniture or electronics. This creates huge cost to La Brisas HOA which is passed on by raising HOA prices. There are services that will pick up for free or minimal cost.

Try giving unwanted furniture away on **Craigslist** or **Freecycle**
